### Decisions:

Following decisions were taken and approved:

- 1. Course Scheme and Syllabi:** The schemes and syllabi of all the courses (B.Tech Civil Engineering, M.Tech. Structural Engineering Full Time and Part Time, M.Tech. Geotechnical and Geoenvironmental Engineering, M.Tech. Construction Planning and Management) were approved keeping in mind the AICTE guidelines.
- 2. MOOC Courses:** Keeping in mind the requirement of introducing MOOC courses and as well as maintaining the quality of technical knowledge of the students to compete in Job/placements, performance in GATE/ UPSC engineering & Civil Services and other competitive examinations, following points are approved:
  - i.)** MOOC courses are added as a part of Generic Electives to provide a platform for interactive forums for overall development of study material for the students of B.Tech. Civil Engineering. Student can opt for any MOOC course/s instead of Generic Elective in same semester.
  - ii.)** If any student wants to do MOOC course against any of the department specific elective, that particular MOOC course should be on similar topic with at least 75% course content similar to that of DSE. The MOOC course can only be taken with the prior approval of the department after content verification.
  - iii.)** In case the MOOC course chosen against any of the DSE course is having less credit than the DSE course, the student should be allowed to opt that MOOC course by the university.
