

DAV UNIVERSITY

Empowering Students with 21st century Skills

Jalandhar - Pathankot, National Highway (NH 44), JALANDHAR- 144 012, Punjab

STUDENT FEEDBACK REPORT:

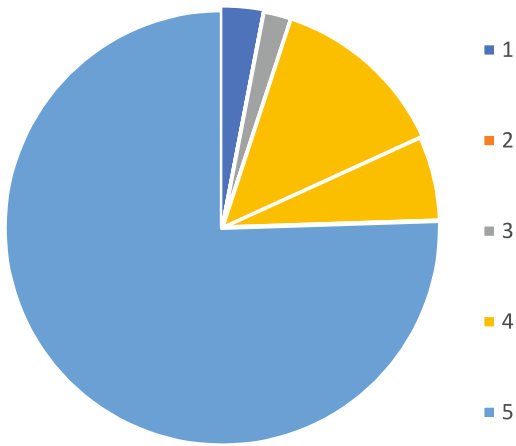

Students from various departments were asked to complete and submit a Student Feedback Questionnaire 2021-22 on curriculum and teaching practices in the lecture halls. Students enthusiastically participated in this activity to positively shape the academic discourse in our institute

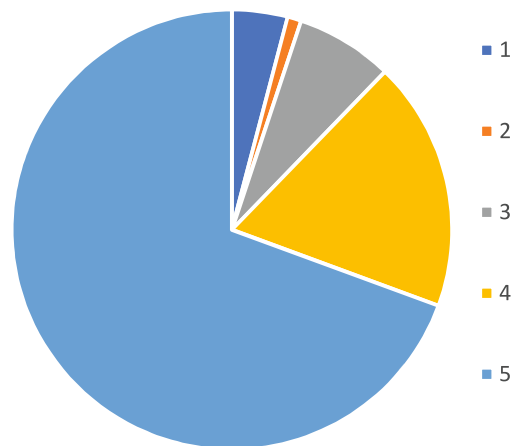

Students were encouraged to participate in the process in an unbiased manner and respond to questions as per their own personal experiences.

Q. No.	Curriculum Evaluation Point	Response in %				
		Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
1	Curriculum relevant to current global trends	0	1	5.0	10.7	83.3
2	Adequate allocation of teaching hours	1.0	1.0	1.0	12	85
3	Practical content aides the theory aspect adequately	0.5	0.5	6	13	80
4	Practical content is hands on for higher technical skilling	0	2.0	2.5	10.5	85
5	Online resources relevant to curriculum are accessible	0.5	2.0	3.5	7.5	86.5
6	Curriculum has played strong role in student development	3.0	2.0	2.0	4.0	89
7	Assigned teacher is knowledgeable about curriculum	1.5	1.5	4.0	6.5	86.5
8	Curriculum enhances analysing and problem solving skills	0.5	2.5	5.0	9	83
9	Course outcomes and curriculum scheme are well aligned	0	1.5	3.5	6.5	88.5
10	University positively considers student feedback for curriculum development	3.0	3.0	4.5	5.5	84

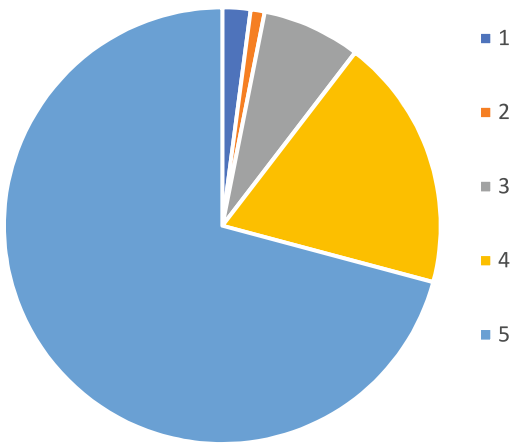

Q1: Curriculum relevant to current global trends

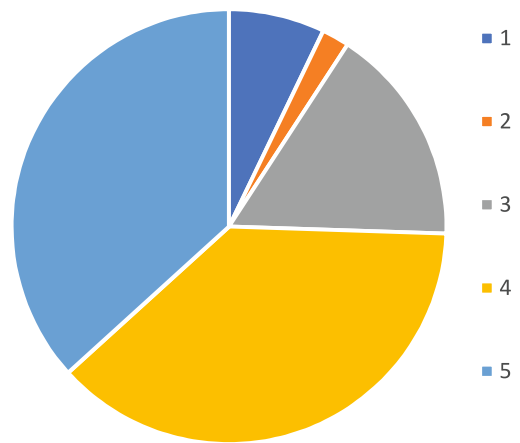

Q2: Adequate allocation of teaching hours

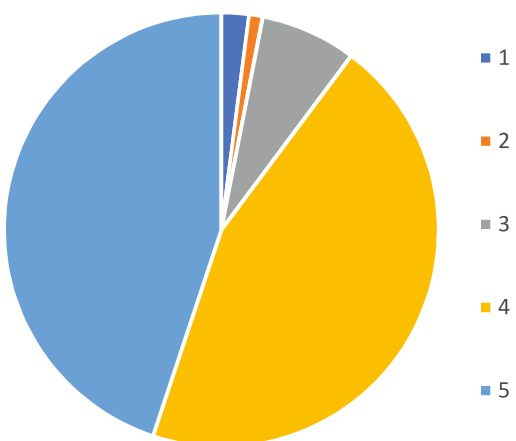

Q3: Practical content aids the theory aspect adequately

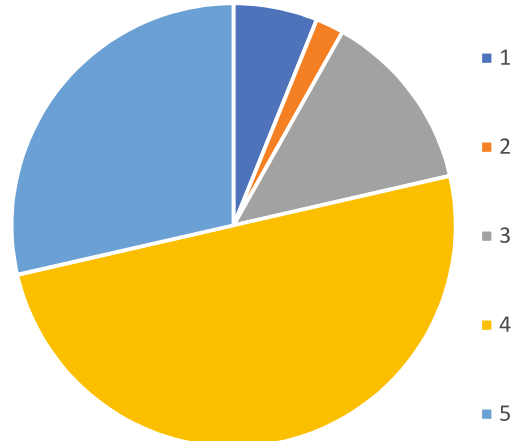

Q4: Practical content is hands on for higher technical skilling

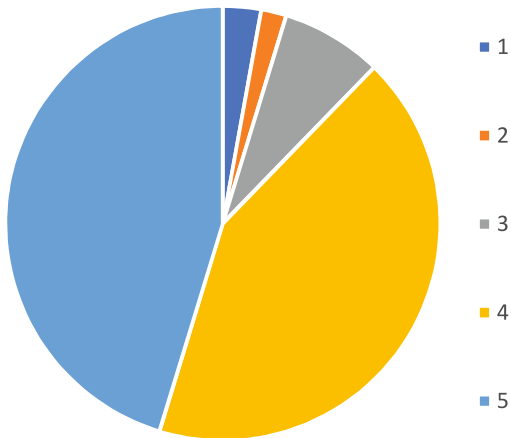

Q5: Online resources relevant to curriculum are accessible

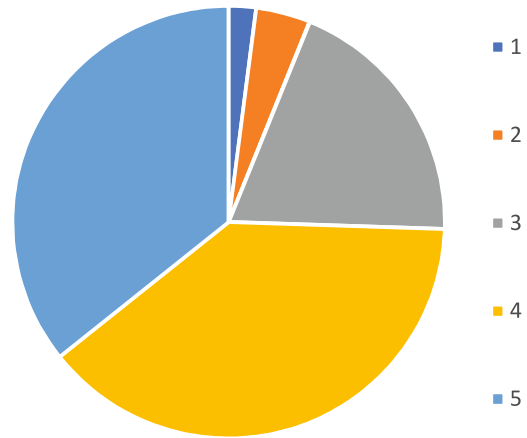

Q6: Curriculum has played strong role in student development

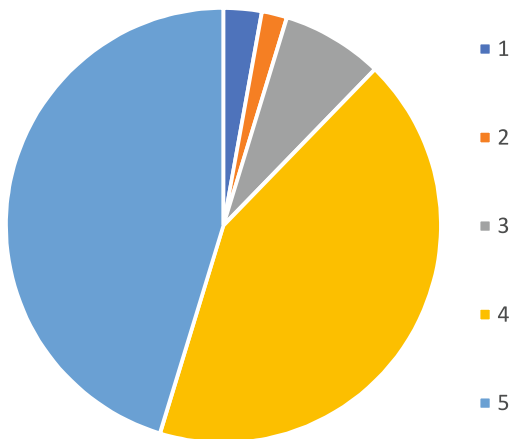

Q7: Assigned teacher is knowledgeable about curriculum

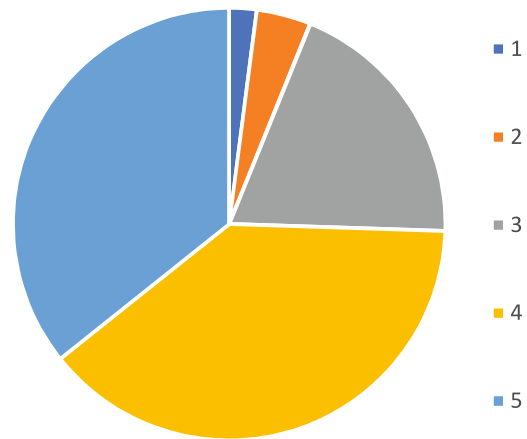

Q8: Curriculum enhances analysing and problem solving skills

Q9: Course outcomes and curriculum scheme are well aligned

Q10: University positively considers student feedback for curriculum development

Analysis

- More than two thirds of the students across various departments of the university were satisfied with their respective curriculum, its relevance in contributing to local/regional/national and global developmental needs.
- Students showed enthusiasm about their future in terms of skills they gained in the university.
- It was observed that the students were positively encouraged in practical classes for a more technical knowledge.
- Students had some encouraging remarks about curriculum evolution.
