Academic and Administrative Audit (2020-21)

Key Observations:

1. The academic and administrative audit was conducted on the basis of twenty-two parameters.
2. It was observed that most of the faculty members have maintained attendance registers and conducted quizzes on time.
3. It was observed that most of the departments organized expert lectures.
4. It was observed that most of the faculty members were using ICT tools for online classes as well as offline classes.
5. It was found that there is a need to guide the students regarding online MOOC courses.
6. It was observed that BOS meetings were conducted and syllabi were updated accordingly.

Action taken:

1. The coordinators of the departments were requested to encourage the faculty members to participate in conferences more frequently (Online/Offline mode).
2. The coordinators were requested to guide the faculty members to identify gaps in the curricula.
3. As per the observations from the audit, coordinators were requested to guide the students regarding online NPTEL/MOOCs/Swayam courses.
- 4 The coordinators were requested to organize more number of expert lectures online/offline mode.
