

DAV UNIVERSITY, JALANDHAR

Department of Psychology

Scheme and Syllabi
for
Bachelor of Science Psychology

(As per NEP-2020)

Batch-2024 & onwards

Introductory Note of the programme

The undergraduate programme of B.A. (Hons) Psychology aims to imbibe profound understanding of the blooming discipline of Psychology and promoting skill-based education. An important goal of this programme is to facilitate self-discovery in the students and ensure their enthusiastic and effective participation in responding to the needs and challenges of society. They are also encouraging to embrace a research aptitude and attitude for future academic advancement and research.

Bachelor's degree in psychology is a stepping stone toward advance studies in psychology, counseling, law, business, or medicine and open various career paths in the field of industry, academia and independent professional start-ups.

Program Educational Objectives (PEOs)

PEO1- Empowering the students to acquire knowledge, skills and abilities to navigate and address the requisite psychological well-being of mankind.

PEO2- Enabling the students to understand the application of psychological research & assessments in the field of Psychology.

PEO3- To provide learning opportunities for up-skilling of students during the programme.

Programme Outcomes (POs)

PO1: Critical Thinking: Take informed actions after identifying the assumptions that frame our thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at our ideas and decisions (intellectual, organizational, and personal) from different perspectives.

PO2: Effective Communication: Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.

PO3: Social Interaction: Elicit views of others, mediate disagreements and help reach conclusions in group settings.

PO4: Effective Citizenship: Demonstrate empathetic social concern and equity centred national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering.

PO5: Ethics: Recognize different value systems including your own, understand the moral dimensions of your decisions, and accept responsibility for them.

PO6: Environment and Sustainability: Understand the issues of environmental contexts and sustainable development.

PO7: Self-directed and Life-long Learning: Acquire the ability to engage in independent and life-long learning in the broadest context socio-technological changes

DAV UNIVERSITY, JALANDHAR
