

STUDENT CLUBS

Dance Club

The objectives of the Western Dance and Other Folk Dance Club are to promote and preserve the rich cultural heritage of folk dances, provide a platform for students to learn and showcase their dancing skills, foster creativity and self-expression, and organize workshops and performances. The club also aims to encourage innovation and experimentation in dance, build a community of dance enthusiasts, participate in inter-university competitions, and collaborate with other cultural clubs to promote diversity and inclusivity through dance.
