

Continuous and transparent system of evaluation

The University implements a comprehensive continuous evaluation system, encompassing Mid and End Semester Exams, quizzes, assignments, attendance. To maintain transparency, students are allowed to review their answer sheets at no cost within a specified time frame following the declaration of results.

IT integration DAVIS

All academic processes, from course registration to attendance and evaluation every module is automated and integrated. Students, teachers, and parents can track attendance/assessments in real time, with all exam-related communications sent through DAVIS.
