Dr. B.R. Ambedkar National Institute of Technology,
Jalandhar

Dr. Tejinder Kaur,
Assistant Professor & Coordinator,
Department of Zoology,
DAV University, Jalandhar

Sub: Setting up of Science Technology & Innovation led SC Cluster at Jalandhar

Dear Dr. Jagdeep and Dr. Tejinder,

- I. This is with reference to the Setting up of Science Technology & Innovation (STI) Cell for empowerment of SC community of Punjab by Punjab State Council for Science & Technology with the support of Department of Science & Technology, Govt. of India. Under this initiative, 4 STI led SC Clusters are to be set up by Council in collaboration with Knowledge Partner Institutions to achieve long term gain and impact.
- II. In this regard, Knowledge Institutions were invited to present their concept in Expert Committee Meeting held under chairmanship of Executive Director, PSCST on 01.09.2021 (virtual platform). Based on deliberations, Expert Committee recommended to set up 4 STI led SC Clusters at:

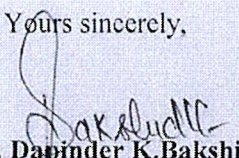

Area	Knowledge Institutions
Jalandhar	NIT-Jalandhar and DAV University-Jalandhar
Bathinda	AIIMS-Bathinda and MRSPTU-Bathinda
Moga	ISF College of Pharmacy-Moga and PGIMER-Chandigarh
Ludhiana	GADVASU-Ludhiana (to explore partnership with PAU-Ludhiana)

- III. As STI led SC Cluster at Jalandhar is to be set up jointly by NIT and DAV University in first phase within six months' time (uptill March, 2022), we seek consent of both the institutions to take up this initiative jointly and define roles & responsibilities of each institution. The scope of work for Phase-I is at Annexure-I

ATTESTED
Registrar
DAV University, Jalandhar

- IV. PSCST would be glad to release Rs.9,30,000/- (details at **Annexure-2**) for setting STI Cluster at Jalandhar for Phase-I to be shared by both institutions equally or as per respective budgetary requirement agreed upon mutually. Subsequently in Phase-II (2nd & 3rd year), more funds will be available for providing S&T solution/tech demonstration for addressing identified gaps of the cluster.
- V. The suggestions made by Expert Committee for effective implementation of the programme are at **Annexure-3** for taking forward.
- VI. An early reply will facilitate immediate release of funds to both the Partner Institutions.

Yours sincerely,

(Dr. Dapinder K. Bakshi)
Joint Director

Encl : As above.

ATTESTED

JAV University, Jalandhar

Annexure-1

Scope of work by Partner Institutions for Phase-I (for 6 months)

1. Identification & adoption of SC dominated villages (10-12) for setting up of a STI based SC Cluster.
2. Baseline data generation w.r.t. adopted cluster on:
 - a. Livelihood framework
 - b. Health, nutrition & sanitation status
 - c. Occupation hazards of SC population employed in industry
 - d. Natural resource availability
 - e. Local innovations & knowledge systems
3. Inventorization of unmet needs of adopted SC cluster which can be addressed through tech-interventions.
4. Identification of potential existing technologies/interventions from institutions of state/nation ready for deployment.
5. As your institute will be nodal point for STI Cluster for empowerment of local SC community, you may set up/allocate dedicated physical space for capacity building, interaction sessions, dissemination of best practices, tech-interventions etc.

Further, based on above, time-bound projects will be developed on new technologies/tools that can be developed/deployed to address the identified unmet needs in Phase-II (2nd & 3rd year) of the project. The separate budget for these initiatives would be provided.

ATTESTED

Registrar
JAV University, Jalandhar

Annexure-2

Budgetary Details per Cluster*

Component	Budget	Justification
Consumables	8,00,000	Field surveys/baseline data collection on STI gaps of SC population in adopted cluster (10-12 villages); identification of potential technologies from research institutions for deployment
Contingency/Other costs	50,000	Creating web link at Institution's Website Home Page showcasing initiatives taken and impact created under STI Cluster; Development & publication cost - Inventory, reports, brochure, stationery etc.
Travel	30,000	Travel related to field work, surveys, meetings etc.
Overhead	50,000	Administrative & other Institutional expenses
Total	9,30,000	

* To be shared by both Partner Institutions (50% each institution or any other %age mutually agreed)

ATTESTED

Registrar

AV University, Jalandhar

Suggestions/inputs by Expert Committee

- While identifying and selecting the villages under the SC Cluster, Knowledge institutions may also explore SC dominated villages selected under Pradhan Mantri Gram Adarsh Yojana for leveraging and making the best use of existing infrastructure for community upliftment.
- Horizontal integration of relevant development departments be made in both programmes, which will not only help in networked efficient approach but also other schemes of line departments would help in strengthening the cluster/centre.
- Institutions with domain specific expertise (GADVASU - livestock management; AIIMS, Bathinda – healthcare; PAU – agriculture) be taken on board for deployment of respective technologies in all the clusters.
- In view of vulnerability of SC Community to various diseases, Department of Health & Family Welfare, Punjab & AIIMS-Bathinda can jointly promote the Best Health Practices in all the adopted SC clusters of the State.
