## Report:

A seminar on "The Impact of Ragging" was organized for students on 14<sup>th</sup> September 2021, aiming to raise awareness about the harmful consequences of ragging in educational institutions. The event was attended by students, faculty members, and guest speakers, who discussed the psychological, emotional, and academic effects of ragging on victims. Speakers highlighted real-life incidents where students had suffered severe mental trauma due to ragging. The seminar emphasized the legal implications of participating in ragging, and the strict anti-ragging laws in place. Students were encouraged to report any incidents and to foster a culture of respect and kindness within the campus. The session concluded with a Q&A session, where students raised concerns and shared their experiences. Feedback from participants indicated that the seminar was both informative and impactful.

**Report:** The seminar titled "Cultural Perspectives on Child Abuse: Challenges and Solutions" was held for students on 06/04/2022, focusing on raising awareness about the cultural nuances of child abuse. Speakers shared insights into how different cultures view and address child abuse. The seminar highlighted the complexity of defining child abuse across diverse cultural frameworks, emphasizing the need for cultural sensitivity in both prevention and intervention efforts. Discussions also addressed challenges, including societal taboos, lack of awareness, and varying legal frameworks that complicate combating child abuse. Solutions proposed included educating communities, implementing child protection policies that respect cultural differences, and fostering open communication between families, educators, and authorities. Students engaged actively in the Q&A session, exploring ways to contribute to positive change in their communities. The event concluded with a call for stronger collaboration between cultural leaders and child welfare organizations to ensure the protection and well-being of children globally.
