Report:

A workshop on "Professional communication skills and Personality Development" was organized by the department of English in collaboration with IQAC. The workshop began with lamp lighting by the dignitaries and DAV anthem. The first session was about basic and professional communication skills. Ms. Akansha told how the cycle of thoughts, feelings, attitude, habit, personality and destiny works. She also suggested not being judgmental with people. There were different personalities of people which included: the inspired, the motivated, the open minded, the passionate, and the grateful. She also highlighted the 5 C's of communication skills, creativity, confidence, commitment and convincing skills which the employers search for in their employees. The second session was about verbal, non-verbal and technical communication.

Learning Management System (LMS) training workshop for faculty members April 10 - 11, 2024

Name of the Event: Learning management system (LMS) training workshop

Date of Event: April 10-11, 2024

Resource Person: Dr. Sanjeev Sharma

The IQAC cell of DAV University has organized a workshop on LMS Training whose resource person, Dr. Sanjeev Sharma, has initiated the learning Management system software in the online DAVIS portal of the university. A learning management system (LMS) is a computer-based operating system used by training organizations to register, track and monitor activity in the training function. LMSs have evolved from earlier systems to now include course and student monitoring, resource management, assessments, completion rates etc. The LMS is used to track course registrations, complete mandatory and online trainings, view training history, certifications, curricula and examination.

Name of Event: Panel Discussion on Handling Stress: Staying Calm towards the Creation of Destiny

Date of the Event: 20.02.2024

Name of the Resource Person (if applicable): B.K. Manisha Didi, Dr. Atul Madaan, Ms. Pallavi Khanna

Learning Outcomes:

1. Understanding the fundamentals of neurofeedback and biofeedback techniques, including the underlying principles of how these therapies work to regulate brain activity and physiological responses.
2. Acquiring practical skills in conducting neurofeedback and biofeedback sessions, including how to set up and operate equipment, identify relevant biomarkers, and interpret feedback data to guide therapeutic interventions.
3. Exploring the applications of neurofeedback and biofeedback across various clinical settings and populations, such as treating anxiety disorders, ADHD, PTSD, chronic pain, and enhancing cognitive performance and emotional regulation.
4. Developing proficiency in designing personalized treatment protocols based on individual client assessments, integrating neuro and biofeedback techniques with other therapeutic modalities, and monitoring progress over time to optimize therapeutic outcomes.

Report:

IQAC cell in collaboration with Department of Psychology, DAV University organized an Open Forum Panel Discussion on the topic 'Handling Stress: Staying Calm Towards the Creation of Destiny' on 20th February 2024. More than 280 students, staff, and faculty members attended the event.

The dignitaries included Vice Chancellor Prof. (Dr) Manoj Kumar, Registrar, Prof. (Dr) S. K. Arora, and Dr Gitika Nagrath, Dean of CBME & Humanities. The panel of experts included B. K. Manisha Didi, a spiritual orator, Dr. Atul Madaan, a Clinical Psychologist, and Ms. Pallavi Khanna, a renowned Counseling Psychologist. The panelists engaged in discussing various facets of stress management, exploring topics such as the conscious and unconscious brain, the interconnectedness of thoughts, emotions, and behaviour, and practical strategies to cope with stress effectively. The event was moderated by Ms Pratibha Khutan, Assistant Professor in the Department of Psychology.

The program started with the lighting of lamp and Saraswati Vandana, symbolizing the lifting of the metaphoric darkness of ignorance. Dr. Namrita Kalia, Assistant Professor, Department of CBME, DAV University, and Dr. Pratima Sharma, Coordinator, Department of Psychology, DAV University welcomed all the dignitaries and students. They also made the participants aware of the aims and objectives of the panel discussion. They conveyed that the panel discussion aimed to provide participants with a comprehensive understanding of stress and its management techniques while exploring the relationship between psychology and spirituality in shaping one's destiny.

The spiritual orator, B.K. Manisha Didi provided a philosophical lens, discussing the concept of destiny and inner peace. She also conveyed that the practices like prayer, meditation and mindfulness help in connecting oneself with a higher power. Subsequently, the Clinical Psychologist, Dr. Atul Madaan helped students to understand the relationship of thoughts, emotions, and behavior and their impact on mental health. He emphasized the importance of psychological therapies like Rational Emotive Behavior Therapy understanding and transforming one's irrational thoughts and beliefs and modifying behavior. He also made students aware of the importance of learning 'Assertiveness.' Ms. Pallavi Khanna, a renowned psychologist conveyed the message that acknowledging and addressing mental health struggles is a courageous act, signifying strength and self-awareness. She also suggested that seeking assistance in dealing with mental health challenges is a proactive step towards healing and growth, fostering resilience and well-being. All the experts emphasized the importance of living and enjoying one's present moment or living in 'Here and Now.'

The faculty and students of DAV University enthusiastically participated in the discussion. The panel of experts addressed all queries of faculty and students comprehensively, fostering an inclusive and engaging environment. Each question was met with thoughtful consideration

and expertise from panel experts. Participants received insights and guidance to identify their stressors and how to deal with them. Interactive discussions allowed participants to engage with the panelists, sharing their experiences and seeking advice on specific stressors in day-to-day life. Connection with the divine, relaxation exercises, resilience, self-care, assertiveness, and work-life balance emerged as key topics of interest.

In closing, the moderator summarized key takeaways, emphasizing the integration of psychological and spiritual approaches to stress management. Participants were encouraged to apply the insights gained to their lives, empowering them to navigate stressors with calmness, resilience, and inner peace.

Overall, the panel discussion proved to be an enlightening and enriching experience, offering attendees a holistic perspective on stress management and destiny creation.

Dear Sir,
It is for your kind updation that the venue for the said event has been shifted to Seminar Hall AD-Block instead of the Maharaja Hansraj Auditorium.
The same is under the notice of the competent authority.

Thanking you

Regards
Coordinator
Department of English

Dear Ms. Akanksha Nautiyal

Reference to your request letter dated 20.09.2023 regarding permission for the guest lecture of Dr. Patrick Corbett. This is to inform you that the Competent Authority has approved your request for the same.

The copy of the approval has been sent to the accounting branch for TA / DA & Honorarium. For the auditorium, kindly coordinate with E.O.

With Regards
Prof (Dr) K N Kaul

Report:

DAV University Jalandhar played host to a thought-provoking lecture on "Quality Education in the Age of Artificial Intelligence." The lecture, delivered by renowned scholar Dr. Patrick Corbett, Assistant Professor of English at the New York City College of Technology, CUNY, drew attendees from various academic disciplines and institutions. The event, held under the auspices of the Department of English at DAV University, delved into the implications of artificial intelligence (AI) on the human experience of perceiving, creating, and interpreting meaning.

Dr. Corbett captivated the audience with his insightful perspectives on the evolving relationship between human expression and artificial intelligence. Throughout the lecture, he engaged attendees with real-world examples and encouraged them to ponder thought-provoking questions, sparking a lively and intellectually stimulating discussion. Dr. Manoj Kumar, Vice Chancellor of DAV University, emphasized the lecture's relevance in the context of the institution's commitment to innovation and forward-thinking education. Dr. Manoj Kumar said that the lecture by Dr. Patrick Corbett served as a significant platform for fostering a deeper understanding of AI's transformative impact on human communication and expression. Dr. Nakul Kundra, an Associate Professor at the Central University of Allahabad, commended Dr. Corbett's interdisciplinary approach to addressing the intricate challenges posed by AI and meaning composition.

Dr. Patrick Corbett being felicitated by the Vice Chancellor Dr Manoj Kumar
