Dear Dr.Gitika

I hope this letter finds you in good health and high spirits. On behalf of CT University, it gives me immense pleasure to extend our warmest invitation to you to serve as a keynote speaker at our upcoming Faculty Development Programme (FDP) scheduled to take place from 11 March to 19th March 2024.

The FDP, themed around "Effective Teaching Pedagogy: Strategies for Engaging and Empowering Learners," aims to foster a dynamic environment for educators to explore innovative teaching methodologies and best practices that enhance student engagement and empowerment in the learning process. As a distinguished academic and expert in the field, your insights and expertise would greatly enrich the discourse and contribute significantly to the professional development of our faculty members.

The details of your keynote session are as follows:

Date: 12 March, 2024

Time: 3 to 4 PM

Venue: online zoom Platform

Your extensive experience and research in the realm of education, particularly in effective teaching strategies, make you an ideal candidate to address our esteemed audience comprising faculty members and educational practitioners from various disciplines. We are confident that your keynote presentation will inspire and motivate our participants, equipping them with valuable insights to enhance their teaching methodologies and student engagement strategies. I am attaching Invitation letter with the creativity of FDP.

Subject: Regarding approval for one day visit of M.Sc. (Hons) Chemistry (3rd Semester) to SAIF (Sophisticated Analytical Instrumentation Facility) at Panjab University, Chandigarh.

Respected Sir

This is to submit that the students of M.Sc. (Hons) Chemistry (3rd Semester) have been studying the subject of spectroscopy (Theory) for the last three semesters. For practical experience of the instruments related to these spectroscopic and analytical techniques, the department has planned their visit to SAIF, PU Chandigarh. The director of SAIF has given us permission to visit their advanced instrumentation facility on 28.11.2023 (permission attached herewith).

You are kindly requested to instruct the concerned person for making arrangements for transportation of 44 students and 02 faculty members.

Further, the students will visit three facilities namely FESEM, NMR and Mass spectrometry. For each facility they are charging Rs. 885/- including GST for a batch of 20 students. So the total charges for three facilities for two batches of students will be Rs. 3319/-. The payment mode is through electronic transfer (IMPS or NEFT) on the following address:

Account Name: Director SAIF

A/c No.33951952363

IFSC Code No.SBIN0000742

Submitted for your kind information and approval please.
