## DEEKSHARAMB

### UG Student Induction Programme

2023-2024

Transition from school to University is one of the most challenging events in a student's life. When a new student enter an Institution, she/he comes with diverse thoughts, backgrounds and preparations.

Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with fellow students and faculty members, and expose them to a sense of larger purpose and self-exploration. The term induction signifies the whole process whereby the incumbents adjust to or acclimatize to their new roles and environment. In other words, it is a well-planned journey to educate the new entrants about the environment in DAV University, and connect them with the people in it.

Student Induction Programme engages with the new students as soon as they come into the institution; before regular classes start. At the start of the induction, the incumbents learn about the University's policies, processes, practices, culture and values, and their mentor groups are formed.

#### Students Induction could cover a number of different aspects (SAGE):

- **Socializing:** meeting other batch mates, senior students, Lectures by Eminent People;
- **Associating:** visits to University , visits to Dept./Branch/ Programme of study & important places on campus, local area, city and so on;
- **Governing:** rules and regulations, student support etc;
- **Experiencing:** Subject lectures, study skills, small-group activities, physical activity, creative and performing arts, literary activities, universal human values, etc.
